Bullying at School: What We Know and What We Can Do

Part II: What We Can Do About Bullying

Overview of Intervention Program Goals
Awareness and Involvement Measures at the School Level
A school conference day supervision and outdoor environment contact telephone a general PTA meeting teacher groups for the development of the social milieu of the school.

The problem of school bullying is one of growing dimensions and is of tremendous concern to teachers, parents, and many of the children themselves. Professor Olweus is without question the world's leading authority on the topic. Bullying at School: What We Know and What We Can Do - the facts about bullying and its causes and consequences are presented in clear and straightforward language. The book is a milestone in the study of bullying at school in that it offers a scientifically evaluated intervention program.

Customer Reviews: Bullying at School: What We Know and What We Can Do - This primer should be in the library of every educator, counselor, and parent who is concerned about bullying in schools. The famous Olweus Bullying Prevention Program resulted from Dr. Olweus work and is considered the gold standard of school bullying prevention programs.

Bullying at School: What We Know and What We Can Do - Andrew T. Fong, Constance H. Katelaris, and Brynn Wainstein - Bullying and Quality of Life in Children and Adolescents with Food Allergy - Journal of Pediatrics and Child Health 53(7):630-635, 2017.

The Relationship Between Bullying and Suicide - We know enough about the relationship between bullying and suicide-related behavior to make evidence-based recommendations to improve prevention efforts. We don't know if bullying directly causes suicide-related behavior. We know that most youth who are involved in bullying do not engage.
